

Hello,

We are coordinating WHFR's Sixth Annual Record Show, scheduled to take place **October 26th, 2013**, at Henry Ford Community College in Dearborn, and thought you may be interested in reserving a table (or tables).

We are looking for, of course, vendors selling records and CDs. However, we are also interested in vendors who may have other related items (music, movies, etc etc) as well, such as memorabilia or handcrafted goods – pretty much anything music or alternative media related!

We hope you will consider participating in this event. Please keep in mind that HFCC is conveniently located just off of I-94 and Southfield freeways, and having it in Dearborn will give you access to a varied customer base that you may not have had access to at other record shows. Additionally, we are providing all returning WHFR Record Show vendors with a free bonus table! See enclosed docs for more details...

If you have any questions, please feel free to contact either myself, or Lara Hrycaj (WHFR Operations Manager and Record Show Co-coordinator).

Thank you for your consideration.

-mike d...
